SavvyCard®

2 EASY TIPS FOR GETTING FREE LEADS ON FACEBOOK

RealtyWEB.Net provides a FREE stand-alone website (Property SavvyCard) for EVERY ONE of your Listing

You should post to your Facebook page → free leads

- Press SHARE button
- Select Share to social
- Share to Facebook and other social media platforms

Have your home seller post to their facebook → free leads
Home sellers are sharing a stand-alone website to their page because:

- It's a website just for their property (unlike your traditional website)
- It's push button simple to do (see above steps)

Your home seller is sharing because he / she is looking for a buyer.
You are digitally farming their sphere of influence with a view to:

- Win More Listing
- Get Buyers
- Brand awareness

Realtors are seeing shares of **22 – 123 shares** of Property SavvyCards on Facebook
That's right – all for **FREE!!**
Getting multiple calls and leads – **ALL FOR FREE!!!**
